

Addiction treatment works

At The Counseling Center...

The Counseling Center, Inc. offers a wide range of services to help individuals with substance abuse, mental health, and physical health. At The Counseling Center, Inc., we have licensed chemical dependency and mental health counselors dedicated to providing caring and comprehensive treatment that will help you get your life back on track.

We utilize evidence based practices to ensure the most valuable approach to recovery. We incorporate motivational approaches and interventions into treatment to reduce attrition, to enhance client participation, and to increase the achievement and maintenance of positive behavioral outcomes.

We promote opportunities for individuals and families to experience physical, emotional, and spiritual recovery through education, counseling, and participation in 12-step recovery programs.

Stories of Recovery

"My life has changed and my life is getting better. I love that The Counseling Center treats you with respect and helps you see that there are better things in life." ~Dusty

"When I first started coming here, I didn't know what to expect, but The Counseling Center changed my life. I not only learned about drug and alcohol abuse, but I learned about how to be me again. Everyone that works here has been like family to me. I never could have reached my goals without the help of The Counseling Center." ~Angela

understanding, and
honest self-appraisal.**

Admissions Information

Opened in March 2017, our Day One Admission Center offers a calm atmosphere with friendly staff to help you start your recovery process. We will spend the first day identifying your needs and enrolling you in a treatment program. Day two is focused upon providing support, answering questions and offering several orientation activities.
