MENTAL HEALTH SERVICES

ABOUT

The Crisis Center is a community resource for individuals experiencing acute substance use and mental health related emergencies.

The Crisis Center is a residential facility that offers group and individual clinical services, as well as comprehensive case management that assists our clients with developing personalized plans for continued care. In addition to residential services, The Crisis Center operates a 24/7/365 hotline that serves callers by providing support, referral services, and information when callers themselves or a loved is experiencing a substance use or mental health related crisis. The hotline is also available for ongoing emotional support to anyone in need.
